

Zagreb Archbishop Cardinal Josip Bozanić
Entry in the memorial book, Macelj 5 June 2005

These dead martyrs of ours will never return,
Never be able to speak
and tell us of the pain and suffering
They were forced to endure,
Of their torturous death.
A sacrifice that deserves to be honoured,
Given a proper and dignified grave,
And that the truth of their plight
and execution
Finally be known
To put a stop to any more injustice
or manipulation of their sacrifice.
