Predmet: *Zastupničko pitanje*

Poštovani,

temeljem članka 140. Poslovnika Hrvatskog sabora Vladi Republike Hrvatske
upućujem sljedeće zastupničko pitanje:

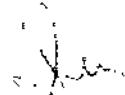

ZASTUPNIČKO PITANJE

Molim Vas da se očitujuete o korištenju školskog sustava za izlaganje djece neprimjerenim seksualnim sadržajima te da ih se poziva na LGBTIQ aktivizam na društvenim mrežama i indoktrinaciju djece ideologijom nespojivom s vrijednostima njihovih obitelji, naravno bez znanja roditelja.

Naime u školskim sandučićima osnovnoškolaca pronađene su e-mail poruke od **Canva** (*online grafički editor za izradu infografika i postera*) koji poziva djecu na LGBTIQ aktivizam, pod naslovom: "Zauzmite se za ono u što vjerujete" u nastavku poruke od Canve djeci se nude šareni, besplatni LGBTIQ predlošci i pozivaju osnovnoškolce da kreiraju internet LGBTIQ sadržaje i pridruži se na društvenim mrežama LGBTIQ grupama potpore.

Takoder tražimo da se očitujuće o korištenju školskog sandučića djece. Naime, neprihvatljivo je da Hrvatska akademska i istraživačka mreža – CARNET ne daje roditeljima mogućnost prijave zloporabe školskog sandučića njihovog djeteta. Zloporabu tako prema CARNET-u (osim učitelja) mogu prijaviti jedino djeca sama, a to nije prihvatljivo, jer djeca nemaju dovoljno iskustvo u prepoznavanju rizičnih situacija i zloporabe njihove e-pošte.
